19 The objections recd have not been sent by the Muni Council, but a summary thereof is given in para 1 of his letter with remarks on each. It is stated that no one has objected to the acquisition in general.

20 The cost of the acqn has to be met from State funds as Govt have taken up the scheme & the realisations from the sale of sites to be formed go to them. Towards the expenditure on the scheme an advance of Rs 50,000 has so far been sanctioned. Further advances will have to be given later, on the requisition of the Muni Council.

21 The usual draft G.O. & the notifications are put up ~~[illegible]~~

In the draft G.O. the Muni Council is proposed to be appointed as the Acquisition Officer. The Muni Council has separately proposed the appointment of a full time officer for the work & it is for orders if he has to be appointed as the Acqn Officer instead of the Muni Council. Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore

Sir,

Adverting to Government Notification No. L: 7663 Ml 35-34-51 dated 3rd May 1935 published in the Mysore Gazette of 16th May 1935 authorising me to hear objections in respect of the acquisition of properties lying between the Town Hall and the Main Drain in Gangamcheri VI Division required for widening the Kumbargundi Road, I have the honor to state that the objections preferred by some of the interested parties fall under the following heads:-

Objection with regard to (1) Measurements, (2) Names of owners notified, (3) Omission of vacant lands surrounding their buildings These objections have been dealt with, as follows -

(1) The disputed measurements have been verified in the presence of the parties and the corrections embodied in the final declaration statement.

(2) Due enquiries were held with regard to names of owners and the correct names are noted in the final declaration statements.

(3) Their title to the vacant lands surrounding their properties was not proved by facts or documents Thier mere oral statements cannot be taken into account.

In fact nobody has objected to the acquisition in general. Objections are only with regard to such minor details as measurements &c. Such objections will have to be considered only at the time of passing awards.
